Recommendation by Dirk De Wachter

Recommendation by Mauro Pawlowski

*Het is niet 'of-of': we blijven elk bij onze leest. Ik bij het conceptuele, met de steen, en jij, als rasschilder, zou een eigen versie kunnen schilderen van het 'David en Goliath' verhaal. Beide werken verwijzen dan duidelijk naar Oekraïne en Rusland. En versterken elkaar wanneer ze samen worden gepresenteerd, door de actualisering van een 3000 jaar oude legende. Wat denk jij?
Groeten!!!!*

*Babenko!
Ik heb met stijgend enthousiasme je tekst gelezen!
Prachtig [...] Bij deze nodig ik je uit bij mij thuis voor een verder gesprek. Ik ben als Belg tijdens de Perestrojka-jaren / punk-jaren in Moskou en Leningrad geweest, en ik vond dat een fantastische ervaring!*

*Hans Willemse
Curator MuHKA & auteur*

*Dag Andrej,
Het leven gaat zijn gang, hopelijk gaat alles goed in dat van u? OK om die twee gesprekken te voeren. Ik zeg dit na enige aarzeling zoals je wel gevoeld hebt. Uw werk schrikt me namelijk wat af, het chaotische ervan overweldigt mij danig. Ik heb zelf heel veel last van chaotisme, na al die jaren kan ik dat enigszins bedwingen met mijn dagelijkse arbeid, hier in mijn ateliers.
Ik heb uw portfolio bekeken, uw statement en intenties gelezen.
Ondertussen ben ik benieuwd naar wat we elkaar te zeggen zullen hebben.*

[Anne-Mie Van Kerckhoven](#)

Я современный художник, моя работа находится на грани желания быть вместе в поисках свободы и мира.

Ik ben een hedendaagse kunstenaar; mijn werk manoeuvreert op de rand van verlangens om samen te zijn op zoek naar vrijheid en vrede.

I am a contemporary artist; my work maneuvers on the edge of desires to be together in search of freedom & peace.
